Our Company

At **Design and Craft Infra Pvt. Ltd.**, we pride ourselves on being a professionally managed firm with deep expertise in **Turnkey Interiors, Architecture, and Construction**. Our journey began with **M/s Design and Craft**, under which we successfully executed a wide spectrum of residential and commercial projects, earning trust and recognition along the way.

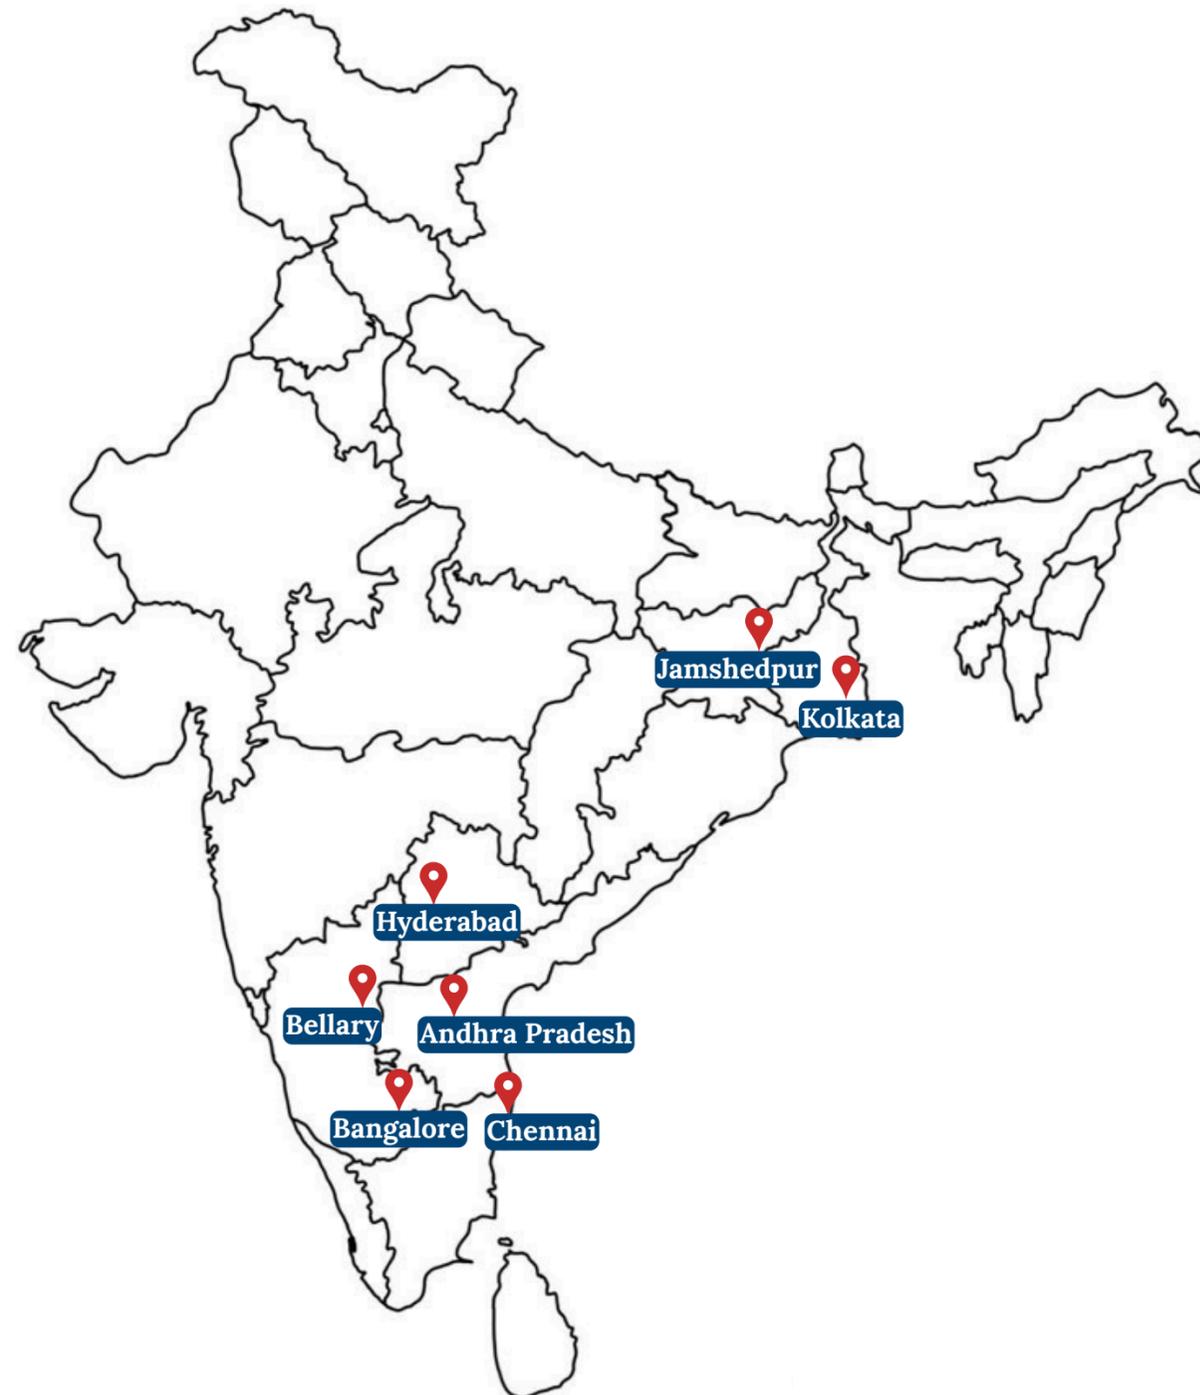

With the establishment of **Design and Craft Infra Pvt. Ltd.**, we are carrying forward the same legacy of excellence while expanding our capabilities in **construction, architecture, and interiors** to take on larger, more diverse, and more challenging projects.

Preferred by thousands, our reputation rests on meticulous planning, thoughtful space utilization, and the ability to capture the natural ambience of every environment. We don't just design interiors—we translate **ideas, dreams, and passions** into living, breathing spaces.

We don't just design spaces — we design experiences that last a lifetime.

Core Competence

At **Design and Craft Infra Pvt. Ltd.**, our strength lies in delivering **high-quality turnkey interior, construction & architecture solutions with speed and precision.** We specialize in completing projects of approximately **3,000 sq.ft. within just 30 days**, a benchmark made possible by our dedicated in-house teams. From **carpentry, civil works, and plumbing to electrical systems, marble and granite installation, networking, and CCTV integration**, every aspect is handled under one roof for seamless execution.

Our projects span across diverse locations including **Andhra Pradesh, Bangalore, Bellary, Jamshedpur, Kolkata, Hyderabad, and Tamil Nadu**, with our **headquarters in Chennai** serving as the nerve center for all operations.

How We Work?

Consultation & Concepts

We start by listening to your needs, lifestyle, and vision to shape the foundation of the design.

Design & Visualization

Our team develops mood boards, layouts, and 3D visuals to help you imagine the possibilities.

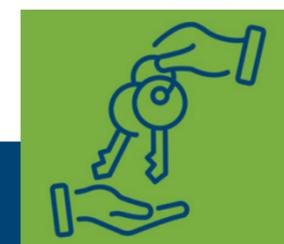

Material Selection & Budgeting

From finishes to furnishings, we guide you through every choice, balancing quality with budget.

Execution & Management

With our in-house teams handling carpentry, civil, electrical, & more, we ensure seamless coordination and timely delivery.

Final Touch & Handover

We refine the smallest details, add the finishing touches, and hand over a space that feels truly yours.

From vision boards to finished walls — we're with you at every step.
